

INTEGRATED MANAGEMENT POLICY

Our Commitments

Porto Itapoá has made the following commitments to how it manages its port operations in Brazil, we will:

Aim, continuously, to improve our processes in order to comply with legislation and meet any other applicable requirements;

Prevent pollution and protect the environment, by managing dangerous products, solid waste and effluent, appropriately;

Prevent the main accidents, injuries and illnesses related to cargo handling operations and maintaining equipment;

Ensure that our customers, shareholders, employees, partners, suppliers and the community are satisfied with our performance.
